The Downing Street Years. Published 1993. The book only cost one dollar. A big hardback in near-new condition. On reaching chapter three, 'Into the Whirlwind', page 60, I decided to move this tome to the Read list. To get through this book I'll read it in sections and when in a receptive mood. I'll jump ahead to chapters that are of more interest to me.

She was known as the Iron Lady, but Margaret Thatcher dissolved into floods of tears on the day she left Downing Street 30 years ago, on 28 November 1990. Back then, I was a political correspondent for the Today newspaper and the events leading up to that emotional day were the most dramatic during my nearly 40 years of reporting on politics.
