When it comes to revolutions in public knowledge, the Gutenberg Bible is up there with the Internet. As the first major Western publication to be printed using movable metal type, this extraordinary technological and artistic feat heralded the age of the printed book. This meticulous reprint reproduces the G ö ttingen Library edition, one of the...

“ A finely atmospheric debut...Christie ’ s novel is a worthy tribute to the technological revolution it reimagines, as well as a haunting elegy to the culture of print...One thinks of Donna Tartt ’ s obsessive accounts of furniture decoration in *The Goldfinch* or even Philip Roth ’ s lovingly twisted empathy with glovemaker Swede Levov in *American Pastoral*. Such novels of craft and specialization take a writerly delight in the most intricate details of a particular trade while spinning rich prose out of its mysterious threads. ” — Washington Post

An enthralling literary novel that evokes one of the most momentous events in history, the birth of printing in medieval Germany—a story of invention, intrigue, and betrayal, rich in atmosphere and historical detail, told through the lives of the three men who made it possible. Youthful, ambitious Peter Schoeffer is on the verge of professional success as a scribe in Paris when his foster father, wealthy merchant and bookseller Johann Fust, summons him home to corrupt, feud-plagued Mainz to meet “ a most amazing man. ” Johann Gutenberg, a driven and caustic inventor, has devised a revolutionary—and to some, blasphemous—method of bookmaking: a machine he calls a printing press. Fust is financing Gutenberg ’ s workshop and he orders Peter, his adopted son, to become Gutenberg ’ s apprentice. Resentful at having to abandon a prestigious career as a scribe, Peter begins his education in the “ darkest art. ” As his skill grows, so, too, does his admiration for Gutenberg and his dedication to their daring venture: copies of the Holy Bible. But mechanical difficulties and the crushing power of the Catholic Church threaten their work. As outside forces align against them, Peter finds himself torn between two father figures: the generous Fust, who saved him from poverty after his mother died; and the brilliant, mercurial Gutenberg, who inspires Peter to achieve his own mastery. Caught between the genius and the merchant, the old ways and the new, Peter and the men he admires must work together to prevail against overwhelming obstacles—a battle that will change history . . . and irrevocably transform them.

The only work in English to survey Gutenberg scholarship from the fifteenth century to the mid-1980s. It includes a detailed discussion of the 42-line Bible of 1455. Designed by Abe Lerner, and set and printed in

Monotype Van Dijck by Michael & Winifred Bixler.

"Forget being an actor. You don't have the look, you don't have the talent, and your name is ridiculous. You are the last guy I would ever pick to be a movie star." This was the first piece of advice Steve Guttenberg ever received from an agent. Like many other times in his life, he didn't listen. In this honest, charming memoir, Guttenberg tells the unique story of his first decade in Hollywood, as he went from being a complete unknown to starring in some of the most successful blockbusters of all time. He spent his early days sneaking onto the Paramount lot and meeting more actors and casting agents than most aspiring actors ever would. Even before the hit *Police Academy*---which his manager said would be a flop---he had already worked with such luminaries as Lord Laurence Olivier, Richard Widmark, and Gregory Peck. Later he shared the screen with actors such as Mickey Rourke and Sharon Stone long before they became household names. Guttenberg has lived through the addictive pull of show business and worldwide celebrity (you're no one until you have a stalker, he learns). With a clear-eyed appreciation for the one-of-a-kind experiences that the celebrity lifestyle has to offer, he knew that his family would keep him grounded throughout it all. And his self-awareness and sense of humor about the ups and downs of fame make *The Guttenberg Bible* one of the most candid Hollywood stories to date.

This is the only modern translation of the complete collection of deuterocanonical books known popularly as "The Apocrypha" that also includes Enoch, Jasher, and Jubilees. Aside from Jasher, they were included as secondary works in the canon of Scripture for most of the Church's history. The Literal Standard Version (LSV) is a modern translation that stays true to the original manuscripts. This handsome 6" x 9" edition features a matte finish with thick, high-quality, cream-colored pages and 8-point Times New Roman font for elegance and easy reading. The Complete Apocrypha offers a staggering two-thirds as much material as the canonical 66 books of the Holy Bible. Additionally, the apocryphal versions of Esther and Daniel are included in their entirety. The Complete Apocrypha includes Tobit, Judith, Wisdom, Sirach, Baruch, 1st, 2nd, 3rd, and 4th Maccabees, 1st and 2nd Esdras, Prayer of Manasses, Enoch, Jubilees, Jasher, Psalm 151, and all of the apocryphal additions to Daniel and Esther (including The Prayer of Azariah, Susanna, and Bel and the Dragon). This collection is published by Covenant Press, the publishing arm of the Covenant Christian Coalition.
