other side of the coin The opposite aspect, as in I know you'd like to go, but the other side of the coin is that someone has to stay with the baby or The subscription is expensive, but the other side of the coin is that it's an excellent publication. This term replaced the older other side of the medal or other side of the shield about 1900.

The other side of the coin - Idioms by The Free Dictionary

The teacher ponders for a moment looks up and down the river and yells back, "My son, you are on the other side." This wise Zen parable beautifully illustrates the importance of considering perspectives other than our own to see the bigger picture. It speaks to the importance of empathy and generosity in perspective as well.

The Other Side - Prairiewoods Franciscan Spirituality Center

Another gentleman related his first experiences of the other side. As a young teenager, he unmercifully teased his elder sister when she stalked the house in curlers, creams, and her nylon wrap barely concealing her bra and girdle.

The Other Side of Corsetry - corsetiere.net
"What is this Veil people talk about that something or someone is on the other side of? It's not easily recognizable to those who are unaware, although many people have caught glimpses of those on the other side. The other side is not that far away, it's all around you, right next to you, and has always been there.

Two girls, one white and one black, gradually get to know each other as they sit on the fence that divides their town.

Author of over a dozen bestsellers, Academy Award-winning screenwriter, and creator of some of television's greatest hits, Sheldon has seen and done it all, and now in this candid memoir, he shares his story for the first time.

Told in two voices, the budding romance between tenth-graders Uly Gates and Sallie Walls is tested when their sisters run against each other in a racially-charged campaign for student-body president.

"With grace, care, honest words, and a hopeful message, Holden has woven a story that will sit in your soul and has the power to make so many of us feel less alone. A must-read for young and old alike." -Ginger Scott,

bestselling author From the bestselling author of the Bright Side series comes a thought-provoking, eye opening story about the complexity of family, the devastation of loss, the destruction of depression, and the unequivocal power of kindness and perspective. Amazon Top 50 Bestseller The Other Side is a standalone novel. There are two sides to every story. The surface reality that's presented to the world... And then there's the other side. The real one. The one that matters. Seventeen-year-old, self-proclaimed asshole, Toby Page, is alone. No friends. No family. He trades maintenance work in exchange for room and board. Every day he fights demons no one else can see. Every day he wants to give up. But he can't. Not yet. When Alice Eliot moves in downstairs, she offers Toby some light in his dark world. At a crossroads and barely hanging on, it's hard to have perspective. It's difficult to see your own worth when you're the villain in your story. Luckily for Toby, Alice brings things out in him that no one else ever has. As the two sides of Toby's story are revealed, and the full reality comes into view, truth is gained, unlikely heroes emerge, and improbable alliances prove that kindness is fundamentally human. The question is, Will it all be enough to save him?

For fans of Sarah Dessen and Mary H.K. Choi, this lyrical and emotionally driven novel follows Alina, a young aspiring dancer who

Read Book The Other Side

suffers a devastating injury and must face a world without ballet—as well as the darker side of her former dream. Alina Keeler was destined to dance, but then a terrifying fall shatters her leg—and her dreams of a professional ballet career along with it. After a summer healing (translation: eating vast amounts of Cool Ranch Doritos and binging ballet videos on YouTube), she is forced to trade her pre-professional dance classes for normal high school, where she reluctantly joins the school musical. However, rehearsals offer more than she expected—namely Jude, her annoyingly attractive castmate she just might be falling for. But to move forward, Alina must make peace with her past and face the racism she experienced in the dance industry. She wonders what it means to yearn for ballet—something so beautiful, yet so broken. And as broken as she feels, can she ever open her heart to someone else? Touching, romantic, and peppered with humor, this debut novel explores the tenuousness of perfectionism, the possibilities of change, and the importance of raising your voice.

A sixty-year history of Afro-South Asian musical collaborations From Beyoncé's South Asian music-inspired Super Bowl Halftime performance, to jazz artists like John and Alice Coltrane's use of Indian song structures and spirituality in their work, to Jay-Z and Missy Elliott's high-profile

Read Book The Other Side

collaborations with diasporic South Asian artists such as the Panjabi MC and MIA, African American musicians have frequently engaged South Asian cultural productions in the development of Black music culture. *Sounds from the Other Side* traces such engagements through an interdisciplinary analysis of the political implications of African American musicians' South Asian influence since the 1960s. Elliott H. Powell asks, what happens when we consider Black musicians' South Asian sonic explorations as distinct from those of their white counterparts? He looks to Black musical genres of jazz, funk, and hip hop and examines the work of Miles Davis, John Coltrane, Rick James, OutKast, Timbaland, Beyoncé, and others, showing how Afro-South Asian music in the United States is a dynamic, complex, and contradictory cultural site where comparative racialization, transformative gender and queer politics, and coalition politics intertwine. Powell situates this cultural history within larger global and domestic sociohistorical junctures that link African American and South Asian diasporic communities in the United States. The long historical arc of Afro-South Asian music in *Sounds from the Other Side* interprets such music-making activities as highly political endeavors, offering an essential conversation about cross-cultural musical exchanges between racially marginalized musicians.

Read Book The Other Side

Lacy Johnson's rich and poetic memoir, *The Other Side*, chronicles her brutal kidnapping and imprisonment at the hands of an ex-boyfriend, her dramatic escape, and her hard-fought struggle to recover. Lacy Johnson bangs on the glass doors of a sleepy local police station in the middle of the night. Her feet are bare; her body is bruised and bloody; U-bolts dangle from her wrists. She has escaped, but not unscathed. *The Other Side* is the haunting account of a first passionate and then abusive relationship; the events leading to Johnson's kidnapping, rape, and imprisonment; her dramatic escape; and her hard-fought struggle to recover. At once thrilling, terrifying, harrowing, and hopeful, *The Other Side* offers more than just a true crime record. In language both stark and poetic, Johnson weaves together a richly personal narrative with police and FBI reports, psychological records, and neurological experiments, delivering a raw and unforgettable story of trauma and transformation.

Girl Online meets Wild in this emotionally charged story of girl who takes to the wilderness to rediscover herself and escape the superficial persona she created on social media. Mari Turner's life is perfect. That is, at least, to her thousands of followers who have helped her become an internet starlet. But when she breaks down and posts a

video confessing she's been living a lie—that she isn't the happy, in love, inspirational online personality she's been trying so hard to portray—it goes viral and she receives a major backlash. To get away from it all, she makes an impulsive decision: to hike the entire John Muir Trail. Mari and her late cousin Bri were supposed to do it together, to celebrate their shared eighteenth birthday. But that was before Mari got so wrapped up in her online world that she shut anyone out who questioned its worth—like Bri. With Bri's boots and trail diary, a heart full of regret, and a group of strangers that she meets along the way, Mari tries to navigate the difficult terrain of the hike. But the true challenge lies within, as she searches for the way back from to the girl she fears may be too lost to find: herself.

"True stories about people who triumphed over seemingly impossible medical diagnoses using untraditional, inventive therapies and perseverance--and about what scientists are discovering on the psychology of healing and the mind-body connection--from the author of the New York Times Magazine article about her own son, 'The Boy with the Thorn in his Joints,' which led to this book about other families"

In *The City on the Other Side*, a young girl stumbles into a pitched war between two fairy kingdoms, and the fate of San Francisco

Read Book The Other Side

itself hangs in the balance! Sheltered within her high-society world, Isabel plays the part of a perfectly proper little girl—she's quiet, well-behaved, and she keeps her dresses spotlessly clean. She's certainly not the kind of girl who goes on adventures. But that all changes when Isabel breaches an invisible barrier and steps into another world. She discovers a city not unlike her own, but magical and dangerous. Here, war rages between the fairies of the Seelie and Unseelie Courts. Only Isabel, with the help of a magical necklace and a few new friends, stands a chance of ending the war before it destroys the fairy world, and her own. From Mairghread Scott and Robin Robinson comes a colorful fantasy graphic novel set in early twentieth century San Francisco.
