As the teenage son of a millionaire father and a show-business mother, Doug Batchelor had everything money could buy-everything but happiness. He used drugs, fought at school, and entertained suicidal fantasies. Disgusted with himself and convinced that life held no purpose, Doug was determined to grab all the fun and excitement he could find. Before his search ended, a cave in the hills above Palm Springs became his home. And although his father owned a yacht, a lear jet, and an airline, Doug would eventually scavenge for food in garbage bins. The happiness Doug wanted eluded him until the day he began reading the dust-covered Bible a fellow "searcher" had left behind in his cave. What happened next can only be described as a miracle.

"Someone to love me." That's all she wanted--all anyone really wants. We are all addicts, "sinaholics," says the author, trying to fill with various addictions a gaping void in our hearts designed for God. Take Mary Magdalene. She was a prosperous prostitute, but her life was one sad, sordid story--until she met Someone who loved her with a pure, unconditional love. Ever afterward the shame of her past was eclipsed by her absolute devotion to the One who set her free.

Love is easy to give when you are getting it back. Are we still called to God's plan of how to love when we are getting none in return? Shauna Shanks's brave journey through obedience reveals the outcome of when we dare to follow God's ludicrous outline for love as described in 1 Corinthians 13. Wrecked with news of her husband's affair and his request for a divorce, Shauna finds herself urgently faced with a decision. Does she give up and divorce her husband and move on, or does she try to fight for her marriage? The former choice seems to contradict God's plan for how to love, such as "love never gives up," "love is patient," and "love is kind." Taking God at His word and assuming the love chapter was really meant to be followed literally word by word, she not only finds herself falling in love with her spouse again, but also falling in love with Jesus, which changes everything. First Corinthians 13 presents an audacious, illogical, and irrational context of how to love, meant to be applied to every marital context not just the fairytale marriage. If God's instructions seem illogical and audacious, you might just expect the same kind of results in return! This book is not air-brushed. It was written in the midst of the author's deepest trauma, and she purposefully did not edit out her mistakes and failures during that season. This book will resonate with women who do not feel like the picture-perfect Christian woman with the fairytale life and marriage. A Fierce Love is the story of a train wreck and reaching out to God not in the calm but in the chaos and finding hope for the future.

In this short, powerful book, multimillionaire and bestselling author Steven K. Scott reveals King Solomon's breakthrough strategies to

achieve a life of financial success and personal fulfillment. Steve Scott flunked out of every job he held in his first six years after college. He couldn't succeed no matter how hard he tried. Then Dr. Gary Smalley challenged him to study the book of Proverbs, promising that in doing so he would achieve greater success and happiness than he had ever known. That promise came true, making Scott a millionaire many times over. In *The Richest Man Who Ever Lived*, Scott reveals Solomon's key for winning every race, explains how to resolve conflicts and turn enemies into allies, and discloses the five qualities essential to becoming a valued and admired person at work and in your personal life. Scott illustrates each of Solomon's insights and strategies with anecdotes about his personal successes and failures, as well as those of such extraordinary people as Benjamin Franklin, Thomas Edison, Oprah Winfrey, Bill Gates, and Steven Spielberg. At once inspiring and instructive, *The Richest Man Who Ever Lived* weaves the timeless truths of one of our greatest works of literature into a detailed roadmap for successful living today.
