J. Barton Mitchell's sci-fi tour de force Conquered Earth series set in an alien-invaded post-apocalyptic world returns as the children forge deeper into the most dangerous lands in search of The Severed Tower Holt, Mira, and Max have fled Midnight City with Zoey after watching her repel an entire Assembly army. Zoey's powers are unlocked, but who and what she is remains a mystery. All she knows is that she must reach the Severed Tower, an infamous location in the middle of the world's most dangerous landscape: The Strange Lands, a place where the laws of physics have completely broken down. But the closer they get to the Tower, the more precarious things become. The Assembly has pursued Zoey into the Strange Lands. Among them is a new group, their walkers and machines strangely bereft of any color, stripped to bare metal, and whose agenda seems to differ from the rest. To make matters worse, the group hunting Holt are here, too, led by a dangerous and beautiful pirate named Ravan. So is Mira's first love, Benjamin Aubertine, whose singular ambition to reach the Tower threatens to get them all

## Acces PDF The Severed Tower Conquered Earth 2 J Barton Mitchell

killed. Then there's the Strange Lands themselves. They have inexplicably begun to grow, spreading outwards, becoming more powerful. Somehow, it all seems tied to Zoey herself, and the closer she gets to the Tower, the weaker she becomes.

Lord of the Flies meets War of the Worlds in J. Barton Mitchell's alien-invaded post-apocalyptic world where two teens and a young girl with amazing powers must stop the aliens' mysterious plan Earth has been conquered by an alien race known as the Assembly. The human adult population is gone, having succumbed to the Tone---a powerful, telepathic super-signal broadcast across the planet that reduces them to a state of complete subservience. But the Tone has one critical flaw. It only affects the population once they reach their early twenties, which means that there is one group left to resist: Children. Holt Hawkins is a bounty hunter, and his current target is Mira Toombs, an infamous treasure seeker with a price on her head. It's not long before Holt bags his prey, but their instant connection isn't something he bargained for. Neither is the Assembly ship that crash-lands near them shortly after. Venturing inside, Holt finds a young girl who remembers nothing except her name: Zoey. As the three make their way to the cavernous metropolis of Midnight City, they encounter young freedom fighters, mutants, otherworldly artifacts, pirates, feuding alien armies, and the amazing powers that Zoey is beginning to exhibit. Powers that suggest she, as impossible as it seems, may just be the key to stopping the Assembly once and for all. Midnight City is the breathtaking first book of the Conquered Earth series.

Mira Toombs has fled Midnight City, leaving behind her home and the people she loves in a desperate gamble to repair the damage her Tone enhancing artifact has caused. It is a journey that will lead her to

## Acces PDF The Severed Tower Conquered Earth 2 J Barton Mitchell

Winterbay, an infamous, frozen city built in the middle of Lake Michigan. A place of secrets and conspiracies – and the one place more dangerous for Mira than Midnight City. Winterbay is the last bastion of the World Before, a place that has shunned the power of the Strange Lands, and where being a Freebooter means the death sentence. To get what she needs, Mira must take a desperate bargain. One that will lead her into the city's icy depths, where its greatest and most dangerous secret lies guarded by a massive, deadly machine that rumor and myth say only one person can disarm. The one person not allowed inside the city walls. A Freebooter. Winterbay is a 14,000 word short story, part of J. Barton Mitchell's CONQUERED EARTH series, set directly before the events of Midnight City and The Severed Tower, showing how Mira Toombs came to be set on a path not only to Clinton Station, but to the two people who would change her life forever. Holt and Zoey.

While Holt travels to the desert city of Faust in order to secure the Menagerie Pirate Guild's help in rescuing Zoey, Mira heads west to bargain with Van Cleef, a leader with a disastrous plan to end the conflict once and for all.

J. Barton Mitchell's sci-fi tour de force Conquered Earth series concludes as the characters try and unite Earth's disparate survivors to overthrow its alien invaders once and for all. The Severed Tower is no more. Zoey has been taken by the Assembly, and time is running out. Just as their feelings are finally out in the open, Holt Hawkins and Mira Toombs are forced apart onto individual quests to try and unite Earth's survivors against their alien invaders. Mira ventures west, holding together a fragile coalition of Wind Traders, White Helix, and rebel Assembly, a mix of groups that do not trust the other. The voices of the Assembly in Mira's head threaten to drive her mad, and she soon learns a grim reality: that the one

## Acces PDF The Severed Tower Conquered Earth 2 J Barton Mitchell

resource they have on their side, the Strange Lands artifacts, are dying, and soon the world will be a very different place. Meanwhile, Holt travels with Ravan and Avril to Faust, the dangerous desert city of the Menagerie pirate guild. He goes not only to resolve his issues with Tiberius, its tyrannical leader, but to enlist the Menagerie in the fight to save Zoey. Except Tiberius has his own problems. The Menagerie is splintering, word of rebellion is spreading. If Holt wants their help, he might have to side with his greatest enemy in exchange. Valley of Fires is the final installment in J. Barton Mitchell's Conquered Earth series, following Midnight City and The Severed Tower, and it brings the genre-bending series to an utterly unforgettable close.

J. Barton Mitchell's The Razor is a riveting science fiction thriller about a man struggling to survive the chaos on a prison planet. Brilliant engineer Marcus Flynn has been sentenced to 11-H37 alongside the galaxy's most dangerous criminals. A hard labor prison planet better known as the Razor, where life expectancy is short and all roads are dead ends. At least until the Lost Prophet goes active... In a few hours, prison guards and staff are evacuated, the prisoners are left to die, and dark mysteries begin to surface. Only Flynn has the skills and knowledge to unravel them, but he will have to rely on the most unlikely of allies--killers, assassins, pirates and smugglers. If they can survive each other they just might survive the Razor...and claim it for their own. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

It's been months since Paul has seen his younger brother, Sam. Now Sam has completely disappeared. Why? The truth lies at the heart of Watertown, a polluted slum afloat in the city's toxic harbour, where Sam has been working as a research assistant. Paul goes there to find his brother--and encounters people

# Acces PDF The Severed Tower Conquered Earth 2 J Barton Mitchell

who will do anything to stop him. Can Paul find out the truth? Or does the dead water zone devour everyone who dares to enter it?

An unearthly adversary descends on an idyllic fantasy world, corrupting magic against good and slaughtering innocents, and only a single man can stop him

NEBULA AWARD WINNER • HUGO AWARD FINALIST • “If you want a fantasy with strong characters and brilliantly original variations on ancient stories, try Uprooted!”—Rick Riordan  
“Breathtaking . . . a tale that is both elegantly grand and earthily humble, familiar as a Grimm fairy tale yet fresh, original, and totally irresistible.”—Publishers Weekly (starred review) NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • BuzzFeed • Tordotcom • BookPage • Library Journal • Publishers Weekly Agnieszka loves her valley home, her quiet village, the forests and the bright shining river. But the corrupted Wood stands on the border, full of malevolent power, and its shadow lies over her life. Her people rely on the cold, driven wizard known only as the Dragon to keep its powers at bay. But he demands a terrible price for his help: one young woman handed over to serve him for ten years, a fate almost as terrible as falling to the Wood. The next choosing is fast approaching, and Agnieszka is afraid. She knows—everyone knows—that the Dragon will take Kasia: beautiful, graceful, brave Kasia, all the things Agnieszka isn’t, and her dearest friend in the world. And there is no way to save her. But Agnieszka fears the wrong things. For when the Dragon comes, it is not Kasia he will choose. Praise for Uprooted “Uprooted has leapt forward to claim the title of Best Book I’ve Read Yet This Year. . . . Moving, heartbreaking, and thoroughly satisfying, Uprooted is the fantasy novel I feel I’ve been waiting a lifetime for. Clear your schedule before picking it up, because you won’t want to put it down.”—NPR

The year is 1597. For nearly a decade, the island of Britain has been under the rule of King Philip in the name of Spain. The citizenry live under an enforced curfew—and in fear of the Inquisition’s agents, who put heretics to the torch in public displays. And with Queen Elizabeth imprisoned in the Tower of London, the British have no symbol to unite them against the enemy who occupies their land. William Shakespeare has no interest in politics. His passion is writing for the theatre, where his words bring laughter and tears to a populace afraid to speak out against the tyranny of the Spanish crown. But now Shakespeare is given an opportunity to pen his greatest work—a drama that will incite the people of Britain to rise against their persecutors—and change the course of history.
