The Triumph Of Moon A

The Triumph of the Moon is the first full-scale study of the only religion England has ever given the world-modern pagan witchcraft, otherwise known as wicca. Meticulously researched, it provides a thorough account of an ancient religion that has spread from English shores across four continents.

The Triumph of the Moon: A History of Modern Pagan ...

Ronald Hutton's 'Triumph Of The Moon' is an excellent historical study and exploratory overview of Wicca. Since its history is an extremely volatile and complex subject, in his preface Hutton is wisely modest about the present limits of the information available to scholars and the scope of his abilities and intentions--no promises to absolute knowledge are made.

The Triumph of the Moon: A History of Modern Pagan ...

The Triumph of the Moon dealt with the early history of Wicca, a contemporary Pagan religion which developed in England in the early 20th century. The first academic study to tackle the entirety of this subject, Hutton questioned many assumptions about Wicca's development and argued that many of the claimed connections to longstanding hidden pagan traditions are questionable at best.
