The author, a "master baker," reveals how she transcended her skepticism over bread machines and discusses the wide variety of techniques and breads available to home bakers. Simultaneous.

Can the incomparable taste, texture, and aroma of handcrafted bread from a neighborhood bakery be reproduced in a bread machine? The answer from bread expert Beth Hensperger is a resounding "Yes!" When Beth first set out to find the answer, though, she had doubts; so she spent hundreds of hours testing all kinds of breads in a bread maker. This big and bountiful book full of more than 300 bakery-delicious recipes is the result, revealing the simple secrets for perfect bread, every time. In addition to a range of white breads and egg breads, recipes include: Whole-Grain Breads Gluten-Free Breads Sourdough Breads Herb, Nut, Seed, and Spice Breads Vegetable, Fruit, and Cheese Breads Pizza Crusts, Focaccia, and other Flatbreads Coffee Cakes and Sweet Rolls Chocolate Breads Holiday Breads No-Yeast Quick Breads No matter how you slice it, Beth's brilliant recipes add up to a lifetime of fun with your bread machine!

An intimate journey across and in search of America, as told by one of its most beloved writers, in a deluxe centennial edition In September 1960, John Steinbeck embarked on a journey across America. He felt that he might have lost touch with the country, with its speech, the smell of its grass and trees, its color and quality of light, the pulse of its people. To reassure himself, he set out on a voyage of rediscovery of the American identity, accompanied by a distinguished French poodle named Charley; and riding in a three-quarter-ton pickup truck named Rocinante. His course took him through almost forty states: northward from Long Island to Maine; through the Midwest to Chicago; onward by way of Minnesota, North Dakota, Montana (with which he fell in love), and Idaho to Seattle, south to San Francisco and his birthplace, Salinas; eastward through the Mojave, New Mexico, Arizona, to the vast hospitality of Texas, to New Orleans and a shocking drama of desegregation; finally, on the last leg, through Alabama, Virginia, Pennsylvania, and New Jersey to New York. *Travels with Charley in Search of America* is an intimate look at one of America's most beloved writers in the later years of his life—a self-portrait of a man who never wrote an explicit autobiography. Written during a time of upheaval and racial tension in the South—which Steinbeck witnessed firsthand—*Travels with Charley* is a stunning evocation of America on the eve of a tumultuous decade. This Penguin Classics Deluxe Edition also features French flaps and deckle-edged paper. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines.

Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Bordered by Russia, Turkey, Azerbaijan and Armenia, and situated at a crossroads on an ancient East-West trading route, Georgia's rich and diverse history is nowhere more evident than through its cuisine and legendary hospitality. Central and unique to the culinary tradition of Georgia is the 'supra', a coming together of family and friends to share heart-warming toasts, great conversation, free-flowing drink and, most importantly, dish upon dish of mouth-watering food. In this, her first book, Tiko Tuskadze, chef-owner of London's celebrated Little Georgia restaurant, opens her kitchen to share her love for the food of her home country and the recipes and stories that have been passed down through her family for generations. The book opens with an introduction to the delicious, yet little-known, food of Georgia and an exploration and explanation of the traditions and cultural significance of the supra. Tiko shares over 100 of the dishes that come together to make Georgian cuisine a true celebration of its country's unique climate, history and culture. Recipes follow the authentic procession of dishes, starting with pâtés and sauces then salads, which are traditionally laid out on the table before guests arrive; moving on to sections on soups, bread and cheese, meat dishes, poultry dishes, fish dishes, vegetable dishes and ending with a few fruity treats. The recipes range from the iconic Khachapuri (cheese bread), Kebabi (lamb kebabs) and Khinkali (dumplings), to lesser-known classics, such as Ajapsandali (aubergine stew) and Ckmeruli (poussin in garlic and walnut sauce). With wonderful stories and beautiful illustrations throughout, this book is the ultimate resource for anyone interested in discovering this unique and varied cuisine with the dual values of family and celebration firmly at its heart.

The revised and expanded edition of this acclaimed gluten-free baking bible features more than forty new recipes. Cookbook author Annalise Roberts has been a pioneer of delicious and simple gluten-free baking. In *Gluten-Free Baking Classics*, she shares recipes and techniques for baking everyday basics like bread and cookies as well as classic treats like brownies and biscuits. Every recipe uses a precise mix of gluten-free flours that only the baker need know are allergy safe. *Gluten-Free Baking Classics* is designed for bakers of all skill levels, featuring detailed instructions on how to get started, as well as timeless baking techniques and guidelines to assure success. Sample delights featured in this volume include Multi-Grain Artisan Bread, Hazelnut Cake, and Old-Fashioned Buttermilk Doughnuts. This extensively expanded second edition includes Cinnamon Rolls, Gingerbread Men, Fresh Pasta, and much more.

Before I was born, [my aunt] had gone such lengths in the way of flirting with a recruiting officer, that her reputation was a little singed. She afterwards made advances to the curate of the parish...-from "To Sir Watkin Phillips, of Jesus college, Oxon, Bath, May 6" An often overlooked but nevertheless important name in the history of the English novel, Tobias Smollett greatly influenced Dickens, with his unsentimental depiction of poverty, and was a favorite of William Makepeace Thackeray, who called *The Expedition of Humphry Clinker* "the most laughable story that has ever been written since the goodly art of novel-writing began." An early example of the epistolary novel, consisting entirely of letters written between its characters, this is Smollett's last book, completed and published just before his death in 1771. Far less brutal than his earlier work, it is the comic story of Humphry Clinker, a poor lad who joins a touring party of aristocrats on their journey through city and country. Smollett's satire on the well-to-do and the fripperies that consumed their society echoes in countless writers who came after him, from Jane Austen to "Bridget Jones" with her diary. Scottish writer TOBIAS GEORGE

SMOLLETT (1721-1771) trained as a surgeon but found far more success as a novelist; he also worked as an editor and translator. Among his works are Roderick Random (1748) and The Adventures of Peregrine Pickle (1751).

Newly arrived in New York in 1882 from Tsarist Russia, the sixteen-year-old Bernard Weinstein discovered an America in which unionism, socialism, and anarchism were very much in the air. He found a home in the tenements of New York and for the next fifty years he devoted his life to the struggles of fellow Jewish workers. The Jewish Unions in America blends memoir and history to chronicle this time. It describes how Weinstein led countless strikes, held the unions together in the face of retaliation from the bosses, investigated sweatshops and factories with the aid of reformers, and faced down schisms by various factions, including Anarchists and Communists. He co-founded the United Hebrew Trades and wrote speeches, articles and books advancing the cause of the labor movement. From the pages of this book emerges a vivid picture of workers' organizations at the beginning of the twentieth century and a capitalist system that bred exploitation, poverty, and inequality. Although workers' rights have made great progress in the decades since, Weinstein's descriptions of workers with jobs pitted against those without, and American workers against workers abroad, still carry echoes today. The Jewish Unions in America is a testament to the struggles of working people a hundred years ago. But it is also a reminder that workers must still battle to live decent lives in the free market. For the first time, Maurice Wolfthal's readable translation makes Weinstein's Yiddish text available to English readers. It is essential reading for students and scholars of labor history, Jewish history, and the history of American immigration.

This book is an exciting fusion of old and new - the recipes for the best traditional breads from across the UK for the very contemporary kitchen machine, the breadmaker. It picks up on the current growing interest in fresh, local produce enabling you to make great regional breads with delicious local specialities. And breadmakers grow ever more popular: there are more than two million in the UK alone, with inexpensive models that everyone can afford becoming increasingly widely available. Traditional British Breads For Your Breadmaker is aimed at novice and expert bakers alike and, for the first time, presents both favourite and lesser known traditional British recipes for breadmaker cooking. Featuring classic favourites (Sally Lunn Buns, Scottish Bannocks, Welsh Pikelets, Grasmere Gingerbread, Irish Soda Farls) and almost-forgotten delicacies (Crem-pog - a kind of Welsh pancake, Kentish Huffins, Bury Black Pudding Cake). In addition, Karen has created new recipes using traditional regional ingredients such as tayberries from Scotland in Oat and Tayberry Breakfast Buns and Knockmore Cheese from Ireland in Guinness and Knockmore Bread. Karen's unique collection of recipes is the must-have breadmaker cookbook.

The fun and easy way to repair anything and everything around the house For anyone who's ever been frustrated by repair shop rip-offs, this guide shows how to troubleshoot and fix a wide range of household appliances-lamps, vacuum cleaners, washers, dryers, dishwashers, garbage disposals, blenders, radios, televisions, and even computers. Packed with step-by-step illustrations and easy-to-follow instructions, it's a must-have money-saver for the half of all homeowners who undertake do-it-yourself projects.
