Tourism, Planning, and Community Development by Phillips ...

TOURISM PLANNING IN DEVELOPED COUNTRIES ¶ In general planning for tourists is less difficult in developed countries than it is in developing ones. ¶ Planning is important and should provide a quality environment for both tourists and residents. ¶ The planning process for tourism development is the same as in city or regional planning.

Tourism planning and development (Introduction)

communities in tourism planning, and decision-making process. As a result, tourism is not contributing much to the development of larger communities, rather inducing many negative impacts on them. Several studies in PAs of Nepal pointed that unplanned or ill- planned tourism development is responsible to numerous

Tourism, Planning, and Community Development: Phillips ...

Abstract. One of the core elements of tourism development is to encourage local communities' participation as it is central to the sustainability of tourism industry. While the literature suggests a number of roles local communities could take in tourism development, little emphasis has so far been given as to how local communities themselves feel about this.

The Role of Local Communities in Tourism Development ...

Tourism, along with the multitude of changes it brings to host communities, is a key factor to consider when designing a sustainable community. Without proper planning, communities are often forced to become completely financially dependent on tourism.

Community Development and Tourism ¶ The Field

Community Approach ¶ There is a maximum involvement of the local community in the planning and decision- making process of tourism and there is maximum community participation in the actual development and management of tourism and its socio-economic benefits.
