Story, a decade-by-decade look back on the man, the mouse, and the theme parks. From Mickey Mouse's debut at the Colony Theatre in November 1928 to the opening of Shanghai Disneyland in 2016--and everything in between--finally, the world's greatest storyteller has their story told! In addition to reliving Disney's most memorable moments, there are numerous interesting and lesser-known stories that will expand your Disney knowledge and give you a fresh perspective on your favorite Disney topic. The Disney Story is more than just a timeline of Disney events and a collection of interesting stories. It's a vehicle and guidebook that can be used to travel back in time and read about your favorite Disney subjects via an interactive bibliography on the book's companion website. Disney's ninety-year journey is all here in one volume, complete with informative stories and tidbits about the theme parks, movies, and Walt himself. Revel in the remarkable innovations and legendary Disney magic that make the company the premiere name in entertainment today.

A portrait of the private life and public career of Walt Disney ranges from his deprived youth, to his contributions to the art of animation, to his visionary creation of the first synergistic entertainment empire, to his reclusive and lonely private world.

Celebrate movie history and the world of Disney, from the animations and live action movies to the magical Disney parks and attractions, with The Disney Book. Go behind-the-scenes of Disney's best-loved animated movies and find out how they were made, follow Disney's entire history using the timeline, and marvel at beautiful concept art and story sketches. Perfect for Disney fans who want to know everything about the magical Disney world, The

Disney Book delves into their incredible archives and lets readers explore classic Disney animated and live action movies, wonder at fascinating Disney collectibles and even see original story sketches from Disney films. The ideal gift for Disney fans and animation and movie buffs, The Disney Book also includes 3 original movie frames from Disney Pixar's Brave. Copyright © 2015 Disney.

Walt Disney always loved to entertain people. Often it got him into trouble. Once he painted pictures with tar on the side of his family's white house. His family was poor, and the happiest time of his childhood was spent living on a farm in Missouri. His affection for small-town life is reflected in Disneyland Main Streets around the world. With black-and-white illustrations throughout, this biography reveals the man behind the magic. This book is not authorized, licensed or endorsed by the Walt Disney Company or any affiliate.

"A biography of Walt Disney with a focus on his work making dreams come true for himself and for generations of children"--

A biography of legendary animator Walt Disney, told in graphic novel format. From his early upbringing in the Midwest to finding success in Hollywood, *Walt Disney: The Magical Innovator!* tells the story of the man who transformed the film and entertainment industry with animated characters such as Mickey Mouse, Donald Duck, and Snow White. In this full-color illustrated biography presented in graphic novel format, key moments in Walt Disney's career are brought to life, including his first forays into illustration as a teenager, his bold decision to produce the world's first full-length animated film, and his vision of Disneyland. Historically accurate text that informs readers of Disney's upbringing and long road to becoming a prominent entrepreneur makes this book not only
