"Terrifying... Eloquent... A heart-
rending drama of human

File Type PDF Wild Men Wild Alaska Finding What yearning." --New York Times

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned

all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after

lives Beyond The Limits
graduating from college in 1991,
McCandless had roamed through
the West and Southwest on a
vision quest like those made by
his heroes Jack London and John
Muir. In the Mojave Desert he
abandoned his car, stripped it of
its license plates, and burned all

of his cash. He would give himself
a new name, Alexander
Supertramp, and, unencumbered
by money and belongings, he
would be free to wallow in the
raw, unfiltered experiences that
nature presented. Craving a blank
spot on the map, McCandless

File Type PDF Wild Men Wild Alaska Finding What Lies Beyond The Limits

simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting

an interest that borders on obsession, he searches for the clues to the dries and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American

wilderness on our imagination;
the allure of high-risk activities to
young men of a certain cast of
mind; the complex, charged bond
between fathers and sons. When
McCandless's innocent mistakes
turn out to be irreversible and
fatal, he becomes the stuff of

tabloid headlines and is dismissed
for his naiveté, pretensions, and
hubris. He is said to have had a
death wish but wanting to die is a
very different thing from being
compelled to look over the edge.
Krakauer brings McCandless's
uncompromising pilgrimage out

of the shadows, and the peril,
adversity, and renunciation
sought by this enigmatic young
man are illuminated with a rare
understanding--and not an ounce
of sentimentality. Mesmerizing,
heartbreaking, Into the Wild is a
tour de force. The power and
